

*The Outreach Ministry of St. Paul's is to be a source of hope and healing to the community, the nation, and the world.*

## Outreach Committee Meeting

June 4, 2009

In attendance: Pam Miller, John Adams, Janet Fullmer, Ron Fullmer and Diane Walworth.

### Plant a Row

.We purchased 345 plants and spent \$517.50. Total income to date (a bit more is expected) is \$983 and Pam reported our profit to date as \$401.50.

We decided to begin collecting fresh produce for distribution Sunday July 5. Designated collection times will be Sunday and Monday mornings throughout the summer, with delivery to Janeal Booren on Monday afternoons. *Janet will bless the food during the Sunday morning service.*

*Pam will put an announcement in both the Messenger and the weekly bulletins about the collection days.*

### Third Quarter Thank Offerings

Thank offering money for the third quarter will go to Rev. Daniel Kuot for his work in Sudan. Fr. Kuot will be visiting St. Paul's probably in September. He has an active ministry in Sudan and is working on providing fishing nets to starving villagers to help them use the river to catch food, agricultural assistance, building a primary school, and working on reconciliation in a war torn country.

For the fourth quarter we talked about a medical focus, but did not make a specific designation.

### Haiti Fundraising Dinner

We discussed a Haitian style dinner as a major fall fundraiser for the mission trip to Haiti. We need to pick a date. We talked about charging \$20. We decided to keep the details of some aspects of the dinner under wraps, but will ask PK and Harriet to head this up. It was suggested that some "teasers" go up on the bulletin board downstairs.

### Comprehensive Plan

We decided we needed more time and still more information to come up with our comprehensive giving plan. **We will meet at noon (at the church?) Friday June 26.** At that time we will put all the potential organizations we might fund on individual large post it notes (*Diane will provide these*) and sort and prioritize them. *Pam will ask Jerry Frazier to participate in that meeting.*

### Website

*Ron will put the Outreach Mission Statement on the website along with pictures from Plant a Row. Pam will provide pictures.*

Next regular meeting: Saturday July 11, 8:30 am at the church.
