Saint Paul's Episcopal Church
Senior Warden Monthly Report
June 2023

Dear Saint Paul's Episcopal Church,

The June solstice is receding, and daylight hours are very gradually decreasing as we wade into the summer of 2023.

Vestry met on Saturday the 3rd of June in retreat in Wahkiacus, in Klickitat County, Washington at the home of Reverend Pam and me. The retreat agenda was developed by Reverend Jonathan Galles, our priest. We contemplated and discussed questions of St. Paul's current and future direction, understanding that Jonathan is seeking a new parish calling as St. Paul's is not able to afford the cost of his employment agreement with us.

Specifically, we contemplated whether Vestry should plan for St. Paul's being in "hospice care," gradually losing members and funding until the last member or two informs the EDEO Bishop that St. Paul's should be closed, or whether St. Paul's should reduce its expectations, reduce its expenses and focus its human and monetary reserves on meaningful, but limited outreach and slow growth of membership vs. no further net loss of membership. We contemplated how this would play out, possibly using lay ministry routinely with Sunday services augmented with a 1/4 time, 1/2 time, or 3/4 time employed priest to celebrate Eucharist on a reduced schedule. We discussed whether we should start looking for a new priest immediately, or if we should at all, or whether a gathering time to reassess our needs and desires as a worshipping and outreach community of members should be completed for a few months to several months, or a year prior to seeking a new priest.

We discussed other strategies such as combining with another Episcopal congregation, or perhaps a congregation of another denomination. We discussed raising operating funds by renting/leasing/receiving donations from a pre-school to make regular use of Tayler Hall. We discussed selling some of the 1805 Minnesota Street property to a known organization which is involved in the development of affordable housing.

We discussed whether our desires as expressed in the most recently completed parish profile still hold, whether they were realistic when formulated. We agreed to bring these concerns and ideas to the congregation in an after 10 AM Service Coffee Hour discussion with the whole congregation. We also agreed to ask our fellow St. Paul's Church members

to carefully and thoughtfully read through the current parish profile and do some updating – additions, subtractions, corrections, etc. It was noted for example that development of youth programming was the most important need identified in the latest parish profile, and yet very few members (primarily Fiona, former Church Office Secretary, and Rev. Jonathan, with few exceptions) participated in the Friday night youth sessions which were held last summer and over the Christmas break.

At the end of the retreat program, at approximately 3:40 PM, a quorum of Vestry was established, and a brief business meeting was called to order to discuss and respond to the 605/607 Union Street potential buyers' inspection report, and to respond to the buyers' consequent request to reduce their offer on the property from \$340,000 to \$328,000. This \$12,000 reduction was based on their inspection which called for extensive plumbing revision, including a new domestic water service line due to leaks, and calling for consultation with a qualified electrician as their inspector perceived the need to replace the existing electrical panel, as well as to replace the outdated knob and tube wiring, and the more hazardous aluminum wiring. Their inspector did not believe that the structure, a.k.a., The Diocesan House, could be considered habitable due to these safety concerns. The senior warden presented the buyers' proposal and moved to accept the buyers' bid of \$328,000, and to extend the closing date of the sale to June 21st 2023, with the properties and the Diocesan House to be purchased by the buyers "as is," with no additional guarantees and with the knowledge that the buyers would have the properties surveyed at their expense after purchasing the properties, and that it is known to us and to them that a 15 foot easement extends south into the 605 property along the northern, east-west lot line between 605 Union Street and 601 Union Street due to encroachment of the 601 Union Street Episcopal Chapel over that lot line. Scott Salisbury seconded the motion. Brief discussion ensued. The motion passed unanimously by Charles Miller, Mike Nagle, P.K. Swartz, Chris Schanno, Scott Salisbury, Gretchen Kimsey, Denise Beasley, and Rev. Jonathan Galles, Priest. Non-voting observers included Jerry Frazier, Treasurer, and Rev. Pamela Miller, Deacon. The Vestry business meeting adjourned just after 4 PM following closing prayer.

On June 21st 2023, the closing documents and deed, selling 605/607 Union Street, The Dalles, Oregon 97058, were signed by Charles Miller and Mike Nagle for St. Paul's Protestant Episcopal Church as that not for profit corporations presiding officers, with the written approval of the Right Reverend Patrick Bell, Bishop of the Episcopal Diocese of Eastern Oregon, and with the written approval of Reverend Kelly Mahon, president of the EDEO Standing Committee.

The Buyers, Daniel P. Cosgrove and Elizabeth Boldt also signed the closing documents on June 21st 2023 at Wasco Title, Incorporated 210/212 East 4th Street, The Dalles, Oregon and received the deed to the properties in exchange for \$328,000.00. Wasco Title, Inc allocated seller's and buyer's agent fees and title insurance fees from that amount. The balance was provided to St. Paul's Church.

The Senior Warden received a check for \$307,043.52 from Wasco Title, Inc. which was then deposited in St. Paul's Money Market checking account at Umpqua Bank (formerly, Columbia Bank), in the presence of Jerry Frazier, Treasurer, before 5 PM on June 21st 2023.

In keeping with St. Paul's agreement to purchase of 605/607 Union Street from the Episcopal Diocese of Eastern Oregon for \$17,101, one half of the sales proceeds after subtracting the original purchase price and the cost of any capital improvements and repairs, will be remitted to the EDEO for their use.

The next Vestry meeting will be held coincident with coffee hour in the library at the east end of the St. Paul's Sanctuary after the 10 AM service on Sunday July 9th 2023. The agenda will be forthcoming and posted on the church bulletin board by next Sunday, one week prior to the meeting. The agenda will also be sent to those on the St. Paul's email list via Constant Contact email service by Friday June 30th this week.

Missionary

We are all missionaries. By our own cultural heritage, by our own geographic setting, by our training, education, life experience, and unique access to certain people, we are to bear the beams of God's light, and life, and love, knowing that God is with us and that God will provide.

Br. Curtis Almquist, SSJE

Planning for the Episcopal Diocese of Eastern Oregon Convention

We are getting ready to host the EDEO convention at St. Paul's on October 20, 21, and 22. As you can guess, we need "All Hands on Deck" to prepare for this wonderful gathering. Several people have agreed to help and many more are needed. If you would like to help, please let me know.

Letter from the front desk

We are in the heart of summer! It's time for camping, cookouts, and celebrations. There are many birthday's to celebrate this month here at St. Pauls so be sure to wish those listed, as well as anyone else who may have been forgotten a very happy birthday.

With this edition of the newsletter we begin the countdown to my last month and a half here at St Pauls. I have grown to know quite a number of you and I am always so honored by the kindness and joy I've encountered in my conversations with you all over the past 7 months. My next job is gonna have some pretty big shoes to fill as I don't think I have worked in an environment where I knew I was treated more than just an employee. I would love to meet with anyone who would like to sit down and talk before I leave, my last day being Friday, August 18th.

This month we also begin the search for a new secretary- but don't worry as Fiona knew I would be a good fit for you all, I too will make sure my replacement continues the legacy of kindness, and uplifted openness here at the office.

For those of you unaware, I am leaving because I will be moving down to Eugene to be closer to my circle of people close to me, and to finish out my

bachelor's degree in English, before going on to get my master's in education.

While I know there have been obstacles for this congregation to overcome- it is my hope that after I leave, this church will grow and continue to do the good work it has brought to this community. With the end of pride month, and the current state of the world, now, more than ever, we need more love.

But don't worry- I'm not quite gone yet, you will still receive one last Luna Newsletter for St. Paul's, and I'll make sure to make my last one, my best work yet. Till then! Have a great rest of July!

Luna Molina
