The Meaning of Ordinary Time

This is the season in which we celebrate the life and teachings of Jesus Christ and what it means to be his disciple. The name of this season is derived from the word ordinal, meaning "to count." We call Ordinary Time ordinary because the weeks are named in number order.

Green is the standard color for "Ordinary Time," the stretches of time between Easter and Christmas, and vice versa. It is meant to represent the anticipation and hope in the resurrection of Christ. Green symbolizes the hope and life of each new day.

Celebration of New Ministry

Calling all musicians...

During the summer months, from June 26 until the welcome back Sunday in September, the Offertory at the 10:00 am service can be done by anyone who wishes to use their musical gifts! Please think about offering an anthem.

Choose a Sunday that works for you and tell the office.
If an accompanist is needed contact Rule Beasley.
If you need a piece of music Anne Frazier has a list of all available music.

Host Families needed for teachers...Migrant Education Program

The program is gearing up for summer school - 3 binational teachers are visiting this summer from Mexico to assist.

We are looking at June 14th through July 22nd, any and all time between. In the past, we have had several host families share a teacher or two by taking them a week at a time and also those that chose to host the entire time.

If anyone is interested, please let me know. There is a small stipend available for the host family(ies).

The Stonehenge War Memorial in Goldendale needs your help crocheting poppies!

The Stonehenge War Memorial in Goldendale, WA is now on the historic landmarks registry thanks to our support in 2018 for a ceremony marking the centennial the end of World War I. It is an amazing site that honors the fallen from the county, and is a replica of Stonehenge in the UK.

Louise Palermo, the Curator of Education, has been trying since 2018 to get poppies to grow near the memorial, and they are not taking as we had hoped. This year Lou decided to

crochet poppies and attach them to the sentinel stones and larger rocks around the memorial, creating a stunning Never Forget Garden in the process.

But she needs help in crocheting the poppies and I immediately thought of Gold Star Mothers and DAR. Poppies would need to be created and sent to the Maryhill Museum of Art by June 20th. I created a "volunteer job" request on our Facebook page with more information and a link to creating the poppies:

Therefore you have no excuse, whoever you are, when you judge others; for in passing judgement on another you condemn yourself, because you, the judge, are doing the very same things.
